About

Obelisk are an indie rock band hailing from Birmingham, UK. They find passion in combining intricacies from different ideas, collecting them to create their own concert of riffs, shoegaze, rock, and poetry. Known for their energy, Obelisk put on quite a show, and have been doing so ever since graduating from college. From soft heartache to headbanger riffs, Obelisk gets the crowd moving. Drawing inspiration from Radiohead, The Strokes, and The Smashing Pumpkins to name a few, their stadium-ready sound delivers an unforgettable experience.
